

# Reyton Gear Oil EP 140 API GL-5

## Gear and Transmission Oil

Product Data Sheet

### PRODUCT DESCRIPTION

Reyton Gear Oil EP 140 is a gear oil designed and formulated to provide excellent lubrication for the manual transmission under extreme condition. Reyton Gear Oil EP 140 meets or exceeds the requirements of various manufacturers and industry standards which outperforms conventional gear oils.

### BENEFITS

- Latest Tacky formulation providing excellent lubrication on gears
- Superior shear stability
- Reduces oxidation and less wear on gears
- Exceeds GL-5 specifications
- Remains the viscosity even at high temperature
- Compatible with typical automotive seals and gaskets

### FEATURES

Reyton Gear Oil EP 140 is a gear oil with high thermal stability recommended for automotive manual gearboxes. Reyton Gear Oil EP 140 is complies with the API GL-5 service classification.

### APPLICATIONS

- For manual gearboxes of passenger cars, trucks, commercial vehicles and construction equipment

### MEETS OR EXCEEDS STANDARDS

- API GL-5

TESTS	RESULTS
SAE Grade	EP 140
Viscosity Index	140.006
Kinematic Viscosity	
@40°C, cSt (ASTM D445)	538.38
@100°C, cSt (ASTM D445)	46.385
Flash Point, °C (ASTM D92)	230
Pour Point, °C (ASTM D97)	-5
